MESSAGE

On the occasion of 45 years of Chanakya and completion of 40 years as Aerospace & Defence Monthly Magazine I extend my warm felicitations to the team Chanakya.

Chanakya Aerospace Defence Magazine has played a stellar role in promoting public awareness about the Indian Armed Forces through array of well researched publications. The magazine is very popular with the security analysts and is amongst the leading Military and Civil Aerospace news magazines in India. On behalf of all air-warriors, I compliment Chanakya team for this special achievement and wish them success in future endeavours.

Jai Hind !
