**MESSAGE**

It is indeed a matter of great pleasure to note that "Chanakya Aerospace, Defence & Maritime Review" magazine is completing 45 years in defence publication and 40 years of monthly publication with its forthcoming edition this month.

I am impressed with the extensive coverage of news, views and issues related to the highly specialized fields of defence, aerospace and maritime security, in this Tri-services magazine. With its well informed articles, up to date news items, the magazine has made special space among its readers.

Congratulating on behalf of DRDO family, I convey my heartfelt greeting to the publishers and editorial team of the "Chanakya Aerospace, Defence & Maritime Review" magazine and wish them success in their endeavor.

Jai Hind.
