MESSAGE

I am glad to know that Chanakya Aerospace, Defence & Maritime Review, the Aerospace & Defence Magazine is completing 50 years in Aerospace, Defence & Maritime Publishing and 45 years as a monthly magazine. I am informed that it has a large circulation in the country and also has subscribers abroad. It is heartening to know that the Tri-Services News magazine emphasises on Indian Aerospace and Defence News of interest to the Global Defence & Aerospace community, particularly the 'Make in India'.

My best wishes to Chanakya Aerospace, Defence & Maritime Review in its golden jubilee.
